Welcome from the Tran Family

Since 2012, our family has been dedicated to bringing the flavours we cherish to the heart of the Okanagan. Rooted in Penticton, we want to share the culinary delights and spirited culture of our home with every guest.

Every dish has a story—sometimes playful, sometimes bold, always full of flavour. Our menu is inspired by travels, cravings, and a little bit of adventure. We create food that's meant to be enjoyed, shared, and to bring people together. At Cambo, the fun is always in the flavour, and the stories behind them.
